

In Loving Memory

On Sunday afternoon, May 22nd, Wayne, wife Mary and daughter Willa, who had just come to San Francisco from Boston for a friend's wedding, were standing in this location when they were suddenly struck by a colliding vehicle from the intersection. Our beautiful Mary and Willa were killed; Wayne suffered serious injuries and is being treated at San Francisco General Hospital.

Words cannot adequately express the extent of grief that the family feels at this loss.

Life is precious; Live every day fully; Love one another

Thank you for caring. May you be blest by Mary and Willa's beautiful and loving spirits.
